TERM MANAGEMENT PERFORMANCE REPORT

Third Term | 2026-2027 academic year

FINAL MANAGEMENT SNAPSHOT

Prepared for the Headmaster, School Owner and Governing Board

Reporting period: 19 April 2027 to 30 July 2027

DESIGN PROTOTYPE - ALL FIGURES AND NAMES ARE FICTIONAL

00 Report guide

How to read, distribute and govern this report.

Prototype only

This document demonstrates the proposed layout and depth of a full-school report. All amounts, trends, people and events are fictional and are not drawn from a real school.

Section	Report	Management question
01	Executive summary	Whole-school position and decisions
02	Fee collection	Reconciliation, class behaviour and timing
03	Fee adjustments and reversals	Surcharges, discounts, waivers and payment reversals
04	Petty cash	Float, requisitions, emergency purchases and reconciliation
05	School-funded expenses	Actual spend by purpose and payment source
06	School shop	Sales, margin, stock movement and reconciliation
07	Incidents	Risk, severity, external involvement and resolution
08	Attendance	Student and staff coverage, absence and lateness
09	Admissions	Growth, demographics and class demand
10	Academic performance	Assessment coverage and class outcomes
11	Staff performance	Review completion, ratings and actions
12	Facilities	Condition, repairs and sign-off
13	Four-term comparison	Current term plus three prior terms
A	Management actions	Owners, deadlines and restricted appendices

Distribution

Audience	Version	Named information
School owner / board	Aggregated management pack	No routine student or staff names
Headmaster	Operational management pack	Restricted action appendices permitted
Bursar	Finance pack and complete registers	Payer and transaction details permitted

Locked record

At closure, the report becomes an immutable snapshot. Any later correction creates a numbered amendment with an author, reason and date.

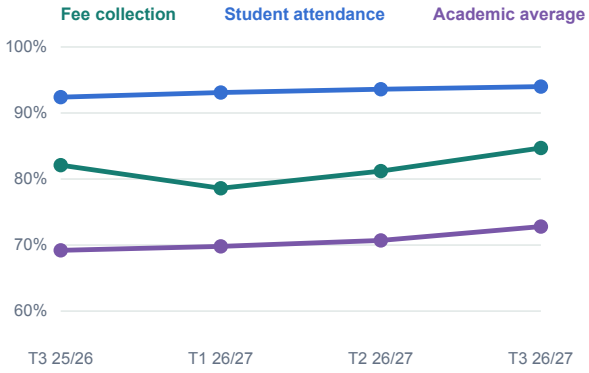

01 Executive summary

The term in one page: outcomes, exceptions and immediate decisions.

NET FEE COLLECTION	STUDENT ATTENDANCE	ACADEMIC AVERAGE	OPEN INCIDENTS
84.7%	94.0%	72.8%	4
+3.5 pts vs previous term	99.0% register coverage	+2.1 pts vs previous term	1 high-severity case

ACTUAL EXPENDITURE	SHOP GROSS MARGIN	NEW ADMISSIONS	STAFF REVIEWS
GHS 560,700	35.0%	84	93.5%
Petty cash and School funds	GHS 65,200 gross profit	8 above plan	4 reviews outstanding

Four-term direction

Priority management actions

#	Action	Owner	Due
1	Recover GHS 211,600 outstanding fees	Bursar	15 Aug 2027
2	Close the remaining high-severity incident	Headmaster	4 Aug 2027
3	Ratify one emergency purchase	Administrator	2 Aug 2027
4	Complete four outstanding staff reviews	Headmaster	6 Aug 2027
5	Repair the JHS washroom water line	Facilities lead	12 Aug 2027

Management reading

Collections, attendance and academic outcomes improved together. The primary financial concern is still arrears concentration in JHS 1 and Basic 6; the primary control exception is one emergency purchase awaiting ratification.

02 Fee collection - reconciliation

A complete bridge from charges to net collections and outstanding balances.

Reconciliation line	Amount	Meaning
Gross fees assessed	GHS 1,440,000	Starting charge base
Add: surcharge adjustments	GHS 22,500	Additional approved charges
Less: discount adjustments	(GHS 31,500)	Approved fee reductions
Less: waivers & discounts	(GHS 48,000)	56 approved student waivers
Net amount billed	GHS 1,383,000	100.0%
Gross payments received	GHS 1,178,900	Before payment reversals
Less: payment reversals	(GHS 7,500)	5 reversed receipts
Net amount collected	GHS 1,171,400	84.7% of net billed
Outstanding at closure	GHS 211,600	15.3% of net billed

Definition

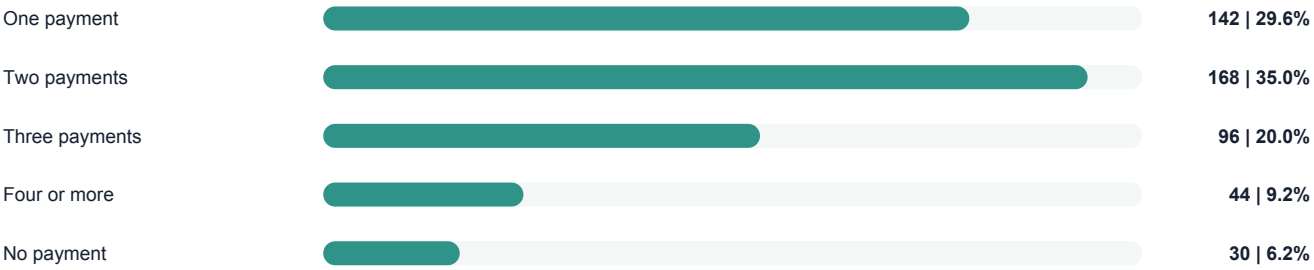

Outstanding equals net billed less net payment allocations. Surcharges, discounts and waivers change the obligation; approved payment reversals reduce the amount collected.

02 Fee collection - payment habits by class

Who pays in one payment, who uses instalments and where arrears are concentrated.

Class	Students	Net billed	Net collected	Rate	One-time full	Avg instalments	Avg instalment
KG 1	52	GHS 126,000	GHS 112,900	89.6%	34.6%	2.0	GHS 1,086
KG 2	56	GHS 134,000	GHS 119,700	89.3%	35.7%	2.1	GHS 1,018
Basic 1	61	GHS 151,000	GHS 128,800	85.3%	31.1%	2.2	GHS 960
Basic 3	63	GHS 162,000	GHS 140,700	86.9%	30.2%	2.3	GHS 948
Basic 6	64	GHS 181,000	GHS 151,200	83.5%	26.6%	2.5	GHS 895
JHS 1	63	GHS 190,000	GHS 158,300	83.3%	23.8%	2.7	GHS 842
JHS 2	61	GHS 194,000	GHS 159,500	82.2%	27.9%	2.5	GHS 889
JHS 3	60	GHS 245,000	GHS 200,300	81.8%	26.7%	2.6	GHS 904
School total	480	GHS 1,383,000	GHS 1,171,400	84.7%	29.6%	2.3	GHS 1,123

Student payment-count distribution

Actionable exception

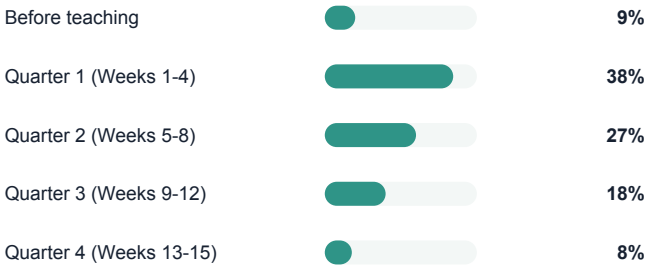

JHS 1 has the highest average number of instalments, while JHS 3 carries the largest outstanding amount. Follow-up should use student-account and household views to avoid contacting one household repeatedly for siblings.

02 Fee collection - when parents pay

Term phase, day-of-week, time-of-day and payment-channel behaviour.

Term quarters are reporting periods based on the term's 15 teaching weeks: Quarter 1 is Weeks 1-4, Quarter 2 is Weeks 5-8, Quarter 3 is Weeks 9-12, and Quarter 4 is Weeks 13-15. 'Before teaching' covers approved payments received before Week 1. Weekday percentages combine every occurrence of that weekday across the full term.

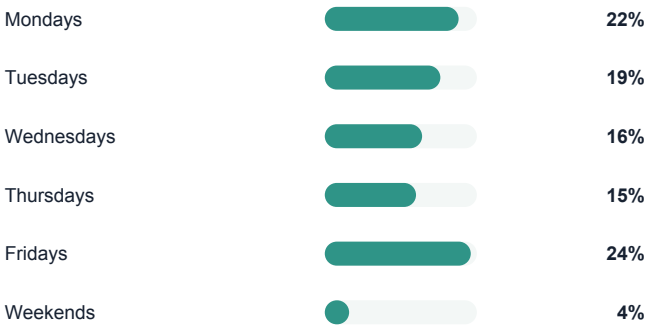

Share of collected value by term period

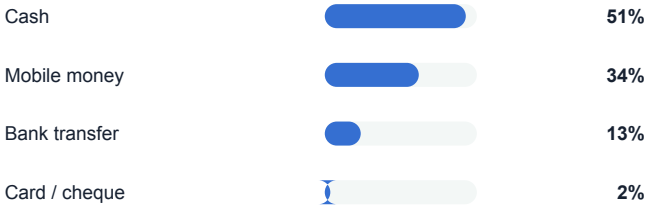

Collected value by recorded time

Share of collected value by weekday

Payment channel by amount

What happened	Share of money collected	Share of transactions
Weeks 1-4	38%	35%
Fridays	24%	27%
12:00-16:59	44%	48%
Cash payments	51%	58%

What this means

Most payments were made during Weeks 1-4, particularly on Friday afternoons. Cash remains the main payment method. The school should provide additional payment support during this period and encourage Mobile Money or bank payments.

Interpretation caution

Cash timestamps usually show when the bursar recorded the receipt, not necessarily when the parent handed over the money. Digital-channel provider time is closer to the actual payment time.

03 Fee adjustments, waivers and payment reversals

Uses the same workflow names shown in Fees & Requirements.

Control observations

Reason capture

Adjustment and payment-reversal reasons are entered as free text. The report does not invent fixed reason categories for them.

Outstanding approvals

Two waiver requests remained pending at term close and must be carried into the next operational period.

04 Petty cash

Float reconciliation, burn rate, emergency spending and approval controls.

Cash reconciliation

Movement	Amount
Opening float	GHS 20,000
Top-ups	+ GHS 80,000

Expected closing cash	GHS 24,000
Counted closing cash	GHS 23,750
Variance	- GHS 250

Count exception
The counted float was GHS 250 below the expected balance. The difference remains assigned to the administrator for resolution.

Emergency purchases	12	GHS 9,800	11 ratified, 1 pending ratification
Total requisitions	146	GHS 82,650	126 approved, 11 ratified, 4 rejected, 5 open

Emergency control
Of 12 emergency purchases, 9 were ratified within 24 hours, 2 were ratified late and 1 remained pending ratification at term close.

Approval speed
For manually reviewed standard requests, median request-to-approval time was 2 h 45 min; average was 4 h 18 min.

Reading books	Books	241	GHS 24,350	28%	Slow
Other items	Mixed	-	GHS 20,000	33%	Mixed

Management reading

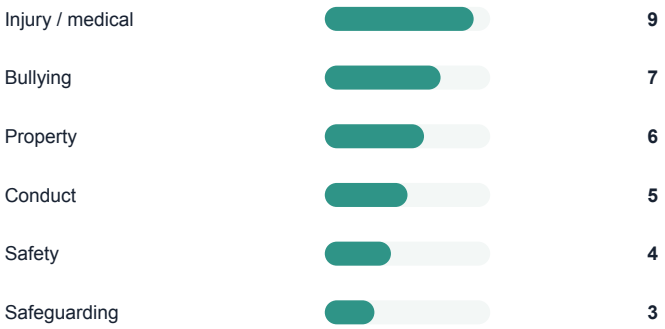

Stationery drives transaction volume, while uniforms drive revenue. Reading books and sportswear require reorder reduction before the next term. Two seller reconciliations explain GHS 1,900 of the stock shortage; GHS 600 remains unresolved.

07 Incident and safeguarding summary

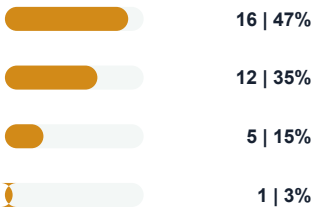

Incident frequency, severity, status, resolution speed and external involvement.

INCIDENTS RECORDED	RESOLVED	STILL OPEN	MEDIAN RESOLUTION

Attendance by weekday

Operational exceptions

Friday decline

Friday attendance is 3.0 points below Monday and should be examined by class and transport route.

Named follow-up

The restricted headmaster appendix lists 18 chronically absent and 42 chronically late students with guardian-contact status.

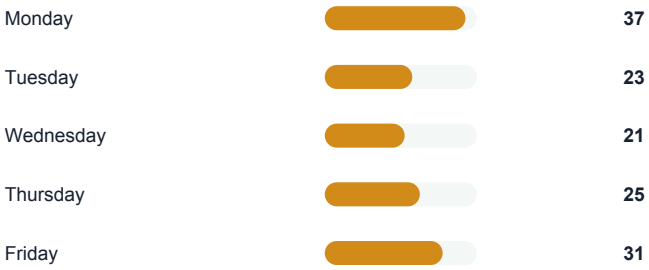

08 Staff attendance

Duty coverage, absence, leave and punctuality across all staff roles.

STAFF INCLUDED	REGISTER COVERAGE	ATTENDANCE RATE	LATE ARRIVALS

Admission source

Capacity after admissions

Indicator	Result
Overall seat utilisation	88%
Classes above 95% capacity	KG 1, Basic 1
Classes below 75% capacity	JHS 3
Wait-listed applicants	9

Management reading

Early-years demand is strong and may require an additional KG stream. JHS 3 remains below target and should be excluded from general acquisition messaging until transfer causes are understood.

10 Academic performance

Assessment coverage, subject results and class-level learning outcomes.

ASSESSMENTS CREATED	SCORE COMPLETION	SCHOOL AVERAGE	AT OR ABOVE 50%
356	97.2%	72.8%	88.4%
184 assignments, 96 tests, 42 projects, 34 exams	Draft or missing: 2.8%	+2.1 pts vs previous term	+1.9 pts term-on-term

Social studies	49	71.2%	87.9%	+2.0	2.1%
ICT	38	78.3%	94.0%	+3.2	1.7%
Other subjects	68	70.9%	86.7%	+1.9	2.5%

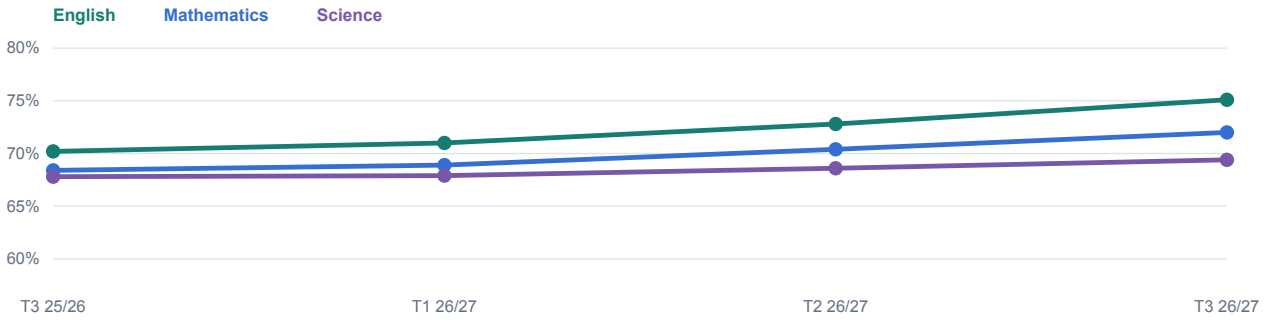

Assessment types

Assignments	184 | 51.7%
Class tests	96 | 27.0%
Projects	42 | 11.8%
Examinations	34 | 9.6%

Assessment balance

Assignments account for more than half of all assessment activity. The headmaster should verify that project and practical work are appropriately represented by subject and grade.

Four-term subject trend

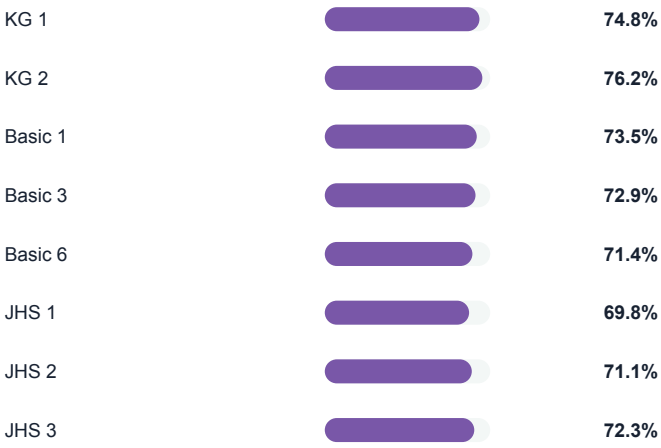

10 Academic performance by class

Comparable class-level averages, proficiency and missing-score controls.

Class	Average	At/above 50%	Score completion	Term change	Strongest area
KG 1	74.8%	91.1%	98.6%	+2.4	Early literacy + numeracy

Academic intervention priorities

Priority	Evidence	Next action
JHS 1 Science	64.2% average	Six-week practical remediation
Basic 6 Mathematics	17 students below 50%	Targeted small-group sessions
JHS 3 score completion	94.9% complete	Close 27 missing score entries
Project assessment	11.8% of assessments	Review balance by subject

Fair comparison

All results use submitted scores normalised to percentages. Draft scores and missing marks are reported separately rather than treated as zero.

11 Staff performance reviews

Review completion, criterion ratings, role-level patterns and development actions.

REVIEWS EXPECTED	REVIEWS COMPLETED	OVERALL RATING	ACTION PLANS OPEN
62	58	4.1 / 5	14
All active staff	93.5% completion	+0.2 vs previous term	6 due before next term

Average criterion rating

Teachers	38	36	4.2	Planning and records
Administration	8	8	4.1	Process documentation
Finance	5	5	4.3	Workload resilience
Operations	7	6	3.8	Punctuality
Security / support	4	3	3.9	Incident documentation

Rating distribution

Band	Staff
4.5-5.0 Exceptional	11
4.0-4.49 Strong	27
3.0-3.99 Developing	18
Below 3.0 Improvement required	2

Four reviews outstanding

One operations, one security and two teaching reviews must be completed before final staff planning.

Do not rank teachers by student scores alone

Teacher performance combines observed practice, professional duties, review criteria and attendance. Student outcomes remain a separate measure.

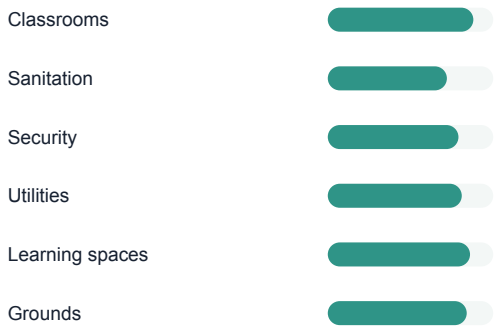

12 Facilities and end-of-term inspection

Condition score, inspection coverage, safety findings, repair costs and accountable sign-off.

CONDITION SCORE	ITEMS INSPECTED	ATTENTION ITEMS	ESTIMATED REPAIRS

Shop gross margin	30.8%	32.1%	33.6%	35.0%	+4.2 pts
Staff review completion	88.7%	90.3%	92.0%	93.5%	+4.8 pts
Facility condition	74	76	77	82	+8

Management interpretation

Direction	Evidence	Recommended decision
Improving	Collection, attendance, academic results, shop margin and facilities	Keep the current operating controls and collection cadence
Watch	JHS arrears, chronic lateness and outstanding staff action plans	Assign named follow-up owners before next-term opening
Control exception	One emergency purchase awaiting ratification and GHS 250 variance	Resolve before the next float is issued
Growth pressure	KG 1 and Basic 1 above 95% capacity	Decide whether to open another early-years stream

Comparison rule

Rates and per-student measures are used where enrolment or term length changed. Current live terms should be compared at the same elapsed-day point; this final report uses complete closed terms.

A Management actions and report definitions

The decision register that turns the report into accountable follow-up.

ID	Action	Owner	Due	Status	Report area
FIN-01	Recover or formally plan GHS 211,600 arrears	Bursar	15 Aug 2027	Open	Owner summary
FIN-02	Resolve the GHS 250 petty-cash count variance	Administrator	2 Aug 2027	Open	Finance control
FIN-03	Ratify the remaining emergency purchase	Administrator	2 Aug 2027	Open	Finance control
SAFE-01	Close or re-plan the high-severity incident	Headmaster	4 Aug 2027	In progress	Safeguarding
ATT-01	Review Friday attendance and transport patterns	Assistant head	10 Aug 2027	Open	Attendance
ACA-01	Begin JHS 1 Science remediation cycle	Academic lead	First teaching week	Planned	Academics
HR-01	Complete four remaining staff reviews	Headmaster	6 Aug 2027	Open	People
FAC-01	Repair JHS washroom water line	Facilities lead	12 Aug 2027	Assigned	Facilities
OPS-01	Decide on an additional KG stream	Owner / headmaster	20 Aug 2027	Open	Admissions

Key definitions

Measure	Definition
One-time full payer	One successful allocated payment covers the net student obligation within rounding tolerance.
Net collected	Completed payment receipts less approved payment reversals.
Attendance rate	Present marks divided by recorded eligible marks; register coverage is shown separately.
Chronic absence	Student absent for 10% or more of recorded eligible sessions.
Academic average	Submitted assessment scores normalised to percentages; drafts and missing scores excluded.
Expense	Settled actual spend only; petty-cash request, disbursement and settlement are not triple counted.

Prototype decision

If this structure is approved, the next design step is to confirm each metric definition, role permission, source field and treatment of missing data before backend implementation.
